

Ingenious Plank™ Hybrid Resilient

Responsibly Made. Peak Performance. Simply Ingenious.

[BROWSE PRODUCTS](#)

At a Glance

Beautifully designed flooring that is extremely durable, waterproof and eco-friendly. Let's just call it what it is – simply Ingenious. While the designs are inspired by nature, the difference lies in the core - composed of enhanced natural wood fibers Ingenious Plank™ flooring is highly sustainable and completely PVC free.

No Acclimation Required

Eco-Friendly & 100% PVC Free

100% Waterproof* Planks

Perfect for high-moisture areas - kitchens, bathrooms and basements.

Indent Resistant

A strong core makes Ingenious Plank resistant to denting from dropped items.

Ultimate in Scratch & Stain Resistance

Resists scratches, stains and scuffs.
